CONFORMITY DECLARATION TO REACH AND ROHS REG.

CSM TUBE spa guarantees that all products supplied by us, heat treated and as-welded stainless-steel tubes, comply with current regulations about ambience security and health protection of operations involved.

REACH (Regulation (CE) 1907/2006)

By the present we confirm that our products comply to the Regulation (CE) no. 1907/2006 about registration, rating, authorization, and restrictions about chemical substances (REACH).

According to Reach Regulation, our company produces "items", we do not produce substances or preparations and our items during the normal and reasonable conditions of usage do not intentionally release substances.

Due to this reason, it is not necessary the registration or the pre-registration or the authorization for the product we supply.

In any case we confirm you that the products presently supplied by us do not contain more than 0,1% of substances reported in the list of the ones really dangerous (SVHC) – item 33 of REACH. In any case we are checking all of our customers, we want to be sure that also them are complying the abovementioned norm.

We suddenly declare that no one of the substances subject to use restriction are contained in our product – item 67 of REACH.

ROHS (Regulations 2011/65/UE, 2015/863/UE and 2017/2102/UE)

By the present we confirm the conformity of our products to requirements and exemption established by the European Regulation 2011/65/UE and to the following amendments of European Regulations 2015/863/UE and 2017/2102/UE.

POP norm cannot be applied to our products.

Remaining at your disposal for any further information you may need, please accept our best regards.
